Goodbye Fall... Hello Winter!!!

How fast does the time go? Fall has passed us and winter is upon us. Wow, what an end of early Fall for the Recreation Department and all of our participants! As we now gear up for the Winter 2011 Recreation Season with our annual holiday parties and many special events, let us look back at all that went on the past few months!

September saw the return of our three bowling leagues, Joymakers, Mighty Monarc and Keansburg Keglers. Good luck on your bowling season! Our annual fishing derby was held at Lake Topanemus with the Noontime Optimist Club of Freehold. Prizes were awarded for biggest fish and most fish caught. Congratulations to the winners!

We also took a trip to Jersey Shore Performing Arts Center to see the spectacular performance of "Bye Bye Birdie". It was such a wonderful experience! Our group even got to meet the cast who graciously signed autographs on the playbills!!

We all know how important fire safety is, so the Recreation department offered a "Safety Sense Class" in which the participants learned more about fire prevention and what to do in emergency situations.

Other returning programs include, Tuesday Night Social, Thursday Night Social, Book Club and Fitness! The Middletown Knights of Columbus had their fabulous Fall Festival in November and Tuesday Night Social had their own Halloween Party as well.

Happy Holidays!

Registration

Please indicate on the Registration Page the programs and special events that you are interested in. **DO NOT SEND IN ANY MONEY AT THIS TIME!** We will notify you through a letter to indicate which programs you are confirmed for and which ones you are on a waiting list for.

Office Hours

The Recreation Department office hours are 9:00 am - 4:30 pm, Monday through Friday. The office phone number is 732-493-0225.

Change of Address or Phone

If you have moved or changed your phone number, please let us know. It is important that the Recreation office records are kept up-to-date in order to provide you with the best possible service.

Inclement Weather

In the event of poor or questionable weather, call our office for updated information. Our number is 732-493-0225. When the program is cancelled, a message will be left no earlier than 1 1/2 hours prior to the activity. If the agency is closed due to bad weather, all programs will be cancelled. If financial assistance is needed in order to participate in a program, please call. A scholarship application form will be sent to you. Financial aid/scholarships are granted on an as-needed basis.

Cell Phone Policy

Please be advised that we have implemented cell phone guidelines for Recreation Events. We have noticed a number of personal calls and text messages that have come through during recreation program hours that appear to be non-emergency related and they are starting to become a distraction at such events. Staff members are going to ask people to silence their phones during program hours and limit the calls and text messaging to emergency only. This will help to decrease the number of situations with the cell phone usage. Thank you for your cooperation and understanding on this matter.

VOLUNTEERS WANTED!!!!

How To Become A Volunteer For The Recreation Office

Without volunteers, our programs would not be able to run. Many volunteer opportunities are available. Special needs of the department include drivers and chaperones for special events.

If you or anyone you know is interested in making a difference in someone else's life, we have wonderful and rewarding volunteer opportunities waiting!

Drivers: We are always in need of substitute drivers to transport from the Work Opportunity Center in Long Branch to the bowling alley in Bradley Beach on Wednesdays.

Special Events: We have numerous special events and programs throughout the year. Check this edition of the Recreation Banner for the ones we are featuring at this time.

After you have found an event or program that fits both your interests and your schedule, call us at 732-493-0225. We will send you a Volunteer Registration Form to complete and return to get you started.

The agency has many other opportunities for volunteering if these don't fit your needs. We have fundraisers, thrift shops, committees, the drop-in center and art gallery, the group homes and adult training centers. Call us and we will try our best to find the right volunteer position for you.

Thank You Optimists!

Once again this year the Noontime Optimist Club of Freehold treated us with a fantastic Fishing Derby at Lake Topanemus on September 19th. The compassion and caring shown by all its members is truly heartwarming and the Recreation Department and all those who participated are very grateful.

Festival Of Trees

The recreation department will have a tree set up for the Festival of Trees at the Sheraton in Eatontown. The tree will be on display from December 1st to January 1st.
